PRINCIPAL'S MESSAGE

Dear Families,

It was wonderful to see the 2017 Preps begin their Orientation Program this week. The children had an enjoyable time meeting their teachers and peers while parents/guardians heard about life at Galilee from the School Captains (Sarah & Adam), Michael M (Year 4) and myself. Parents were thanked for entrusting their education to the staff at Galilee while encouraging a strong parent-school partnership. We discussed the future direction of our school and how **the education of today has to prepare the students for the 'world of tomorrow'.** **Next year's preps will graduate from Year 12 in 2029!**

We thanked the contribution of our parents/guardians this week with the presence of a coffee van. *I look forward to seeing you all at the Trivia Night on August 27.*

Simon Millar
Principal
