PRINCIPAL’S MESSAGE

Dear Families,
We have a busy last two weeks of Term Three with a combination of learning and whole school events. Reports will be emailed home for the first time (no hard copy will be sent home) next week and conferences in the last week of term. Sending home electronic reports saves paper and time for staff, gives teachers more time to collect data to improve the accuracy of marking and parents can save a copy for easy storage. Please note that Miss Evans will be away in week 11 and her reports will be emailed home on Friday June 10th (only Prep E) in preparation for her conferences. Please remember that all families are expected to bring their students to the conferences and for more information, refer to last week’s newsletter. Tonight we have a Galilee Community Night at the Emerald Hotel starting at 7pm and all parents/guardians are encouraged to attend. These type of events help build upon a strong community that ultimately improves upon the learning of the students. I hope to see you there.
Enjoy your upcoming long weekend (no school on Monday June 13)
