PRINCIPAL'S MESSAGE

Dear Families,

As per last semester, classroom teachers will take a report writing day next week and school will proceed with students being fully supervised. Prep– 3 staff will be out of class Tuesday November 8 and Year 4-6 staff members will take Wednesday November 9. Teachers will be replaced specialist teachers and some of our regular emergency teachers. The timetable has been amended and all classes will take part in two specialist classes for the week. PE will take place on Monday for Years 3 and 6 and on Thursday for Prep F and 4C.

If parents have concerns, for social reasons, over classroom placements of their child with another peer they are asked to send the request to me in writing by no later than Friday November 11th (including the reason). These requests will be kept confidential but there is no guarantee that all can be accommodated. Classroom placements are based upon student friendships and the needs of each individual. Teachers are yet to be given placements for 2017 and requests for teachers by parents will not be considered.
