## Live Love Learn

### Dear Families,

This week we celebrated student leadership with our Year 6 leaders, Student Representative Council Leaders and Social Justice Leaders receiving their badges at Assembly. ***It was wonderful to see parents of the leaders present for the assembly, the first time since early 2020.***

Although only a small number of students received a badge this week, it is our belief that every student is a leader within our school. At Galilee, students lead by having an active voice within the school and wider community. Students are actively involved in organising and presenting at school assemblies and Liturgies. Students assist in planning and facilitating components of whole school annual events

include Harmony Day, Science Week, Italian Day, Caritas, Fundraisers and our Buddy Program.

Student leadership at Galilee starts in the classroom where teachers develop students' skills and provide them with opportunities to develop the qualities of a good leader: goal oriented, honest, hard-working, willing to serve others, good listener, clear communicator, good decision maker and the ability to encourage others.

Student voice is another aspect of Student Leadership that is encouraged and fostered at Galilee through class meetings that inform the Student Representative Council, student surveys that allow students to anonymously

voice their opinions on a variety of aspects of school life and student feedback and goal setting conferences that happen between students and their classroom teacher throughout each term.

Formal Student Leadership roles at Galilee involve the annual election of school captains, Student Representative Council and Social Justice Leaders across all year levels, in addition to all the Year Six students being assigned the role of 'student leader'. Some taking on extra responsibilities across various areas to foster a sense of community and enact the school vision with purpose.

## **Punctuality**

When students arrive late for school, they miss important instructions, discussions, routines and in some cases school work. To minimise distractions for themselves, teachers and other students in their class, please ensure they are at school before 8.50am.

Helpful tips:

- Lay out clothes the night before
- Keep shoes in one place
- Get your child to bed on time
- Prepare lunches and bags the night before
- Invest in an alarm clock and encourage your child to get themselves ready
- Keep breakfast simple

## **Drop-off and Pick-up Times and Procedures:**

Please note that details outlined below regarding the morning drop off and afternoon pick-up procedures and times

will remain unchanged until the end of Term One. We will review our procedures at the beginning of Term Two, with potential changes made early next term. In early Term Two, we will hopefully have more access to the basketball court as the building project will have moved into Phase Two; from *demolition to construction*.

This **may** allow us to return to normal drop-off and pick-up times and procedures and we will have more space and our density limit will be increased.

## **Morning Drop Off Times and Procedures:**

The Bank Street Pedestrian Gate will open between 8.35am and 8.50am for students to arrive. All students go directly to their classrooms. The current morning procedure has been operating well and will remain unchanged for the rest of Term One. The current Morning drop-off procedure is allowing teachers and students *to commence learning earlier than normal*. Student Learning now commences from 8.50am. In the past, students would walk into the building at 8.50am and would then unpack their bag and get organised for learning to begin at 9.00am.

Due to COVID19 density limits, we respectfully request that all parents remain outside the school grounds and follow social distancing guides of 1.5m per person during Morning Drop-Off. When COVID19 density limits are relaxed we will commence Open Mornings where parents/caregivers will be welcomed back into our classrooms.

## **Afternoon Pick-Up Times and Procedures:**

All students will be dismissed between 3.15pm and 3.25pm. ***Please note that we are no longer scheduling differing times for siblings (A-K & L-Z) and non-siblings as this led to some confusion.*** Parents are able to collect their child/ren at any time between 3.15pm and 3.25pm. The large, vehicle access gates will be opened at 3.15pm when parents/caregivers will start collecting students. Students will sit in their class lines on the grass area of the playground. Parents/carers will follow a one-way path around the outside edge of the playground, collecting their child/ren as they pass them. They will continue walking around the one-way path with

their child/ren until they exit through the pedestrian gate onto Bank St. At 3.25pm students going to GOSH and those who make their own way home will be dismissed. Due to current COVID-19 protocols, as per School Operations Guide advice and with our current smaller outside space; density limits apply to include students. We are unable to satisfy density limits when dismissing 350 students at one time with all parents also in attendance, hence the need for a larger window of time for parents to collect students. We are allowing children to be collected 10 minutes earlier, so that we can stagger the amount of adults on site at one time. We feel confident that we have not lost any learning time with these drop-off and pick-up times. We are starting learning earlier each day, which gives us the flexibility to finish a few minutes earlier.

## A Message From Our Year 6's

Hi Galilee,  
It's the Year Sixes here! We have settled back into school life and are really enjoying being back together. Although we did get some disappointing news last week, the postponement of our Year Six Canberra Camp, as a group we have decided to roll with the punches and look forward to the future. We are so excited to be the leaders of Galilee for the 2021 school year and cannot wait to introduce ourselves.  
By Lara, Lucas and Damon

### School Captains

Hi, our names are Eliza and Isaac and we are the school captains for 2021. We are looking forward to working with you and hearing your thoughts on how we can improve the school throughout the year. We can't wait to see you around the school. We hope that you have had a great start to the year!

### Social Justice Leaders

Hi Everyone. Aiden C and TC here and we are your Social Justice Leaders for 2021!

We are all passionate about building a just community in Galilee where everyone is included, feels valued, and are treated as a brother or sister. As Social Justice Leaders, we will be helping out with the school Masses, and raising awareness about ways we can have a positive impact on the lives of people who are less fortunate than we are. For example, donating food to our Parishes for them to give to the poor and homeless, and organising fundraisers, like Project Compassion. This year, we will be working alongside all the school class representatives, including our Grade 6 representatives, Alex B and Orlando.

Altogether, we will work hard to ensure that everyone will have fun and feel safe, especially during recess and lunch. We really believe that everyone deserves respect no matter how big or small they are. We promise to always be kind, fair, supportive and caring towards all the students especially the Preps and 1's.

We hope to see you soon, God bless you, and have a wonderful year!

### Wellbeing Leaders

Hey everyone, our names are Violet, Scarlett, James and Johnny. We are your Wellbeing Leaders for 2021.

We are here to try and make your playtime more enjoyable, during construction.

Of course there are many things that you can do in our school at snack and lunch time, but just in case you need some inspiration, here are a few suggestions:

- Dance Classes
- Fun Games in the Hall
- Meet some new friends
- Skipping ropes (they are located in the hall)
- Debate Club
- Craft Club

If you need a friendly face during playtime, just come find us! We will step away from our friends to help you!

Our Promise to you: "We are going to try our best to make memories that last a lifetime."

Have a great year everyone!

### **Visual Arts Leaders**

Hello Galilee, from the Preps to 6s and staff. We are proud to be the new Visual Art Leaders of 2021.

Our names are Jake and Alexander. We've been at

Galilee since Prep and love art. To excite the community and to honour Mrs Orr (she retired last year after 27 years at Galilee!) we want to try and continue the Art Show. If we can pull it off this year, then we will! Preps, if you don't know what the Art Show is, the Art Show was an amazing event where you get to show off all your amazing art to the school, so don't forget to try your best in art.

As your Visual Art Leaders we also want to decorate the corridors with your art over the coming months to try and make the school look super colourful during the construction.

Thanks!

### **Library leaders**

Hi Everyone! Our names are Anna and Paloma and we are going to be your library leaders for 2021!

Our role for this year is to:

- Look after the library with Tegan
- Help organise the library
- Help with book club
- Help organise an amazing book week with Miss Cox
- And to help you if you need any help or if have

some queries about the Library

We also want to share with you some of the rules of the library.

1. Don't hide the books so you can get them, it will most likely still be there when you come to the library the next time.
2. Don't stack books on top of each other. Line them in order and put them in their right spot, put them back where you found them.
3. Don't bend the books so you can find your page, instead get a bookmark and put it where you're up to because you might rip the pages and it damages the books.
4. Be respectful of the space.

Thank you for your time and reading this.

~Paloma & Anna

### **Sport captains**

Hi Galilee we are your 2021 Sports Captains! Our names are Jack, Sienna E, Oli, Silvana, Wyatt, Aidan L, Dane and Laura!

As sport captains we promise to value the safety and fun of each student. However to make this happen there are a few expectations to keep everyone safe.

Playground safety rules

- No jumping off playground equipment
- No running in or on the playground
- No balls in the playground
- Please do not jump off or push anyone off equipment in the playground
- Please do not block the slide

If we, as students can follow these rules then we ensure that everyone will have a very fun and safe recess and lunch. Especially when we have construction going on at school as the safety of students is very important. Another thing we will try to do is get more equipment but we can only do this if you promise to follow the rules!!!! We hope everyone is very excited for all the sporting event opportunities and are ready to cheer on their house teams and hopefully you will be

able to see your house team win this year but remember it doesn't matter who wins just as long as we all have fun. We look forward to seeing you all out on the yard!

### **Assembly Leader**

Hi everyone! My name is Rosa and I am the assembly leader for 2021. In my role I meet up with the Digital Tech Leaders and together make the agenda for the assemblies. On Wednesdays before assembly, I make sure all the chairs are set up correctly and gather all the awards from the office so that the School Captains can hand them out! I hope you love all the assemblies we have this year!

### **STEM Leaders**

Hi everyone, our names are Isabella, Sienna K and Sive. We are the STEM leaders for 2021. STEM stands for Science Technology Engineering and Math. We think that STEM is an important part of life and we want to help you to experience it! This year we will try our absolute best to make STEM really enjoyable for all classes. We are working towards creating a STEM day that will

be filled with lots of fun activities for every class! We will keep you posted about STEM day!

### **ICT LEADERS**

Hi, our names are Henry, Charlie, Poppy and Christopher and we are the Digital Technology Leaders of 2021. We are going to be responsible for the technical side of assembly; organising the slide show, taking photos and recording assemblies. We also write emails to the teachers to inform them about anything they need to know or put into the assembly. We are here to help everyone in the school with Chromebooks and computers.

We are looking forward to being the Digital Technology Leaders this year.

### **Performing Arts Leaders**

G'day Galilee! Our names are Michala and Claudia! We are the Performing Art captains for 2021. Our role as Performing Arts Leaders is to help Mrs Carnovale with special events such as Christmas carols and musicals.

We promise we will take care of all the instruments in the performing arts room, and be there to help whenever we're needed. We promise to always have a "can do" attitude. We are looking forward to a great year together!

### **Italian Leaders**

Hi Everyone, our names are Millie and Finn and were the Italian leaders for 2021. We are super excited to organise some exciting events for you with Miss Petrarca. We are hoping to be able to give you all gelato, pizzas and other yummy Italian food. We are going to organize an Italian day for everyone and some other fun events. Have a great year everyone! Thanks for reading all about our leadership roles this year! We know 2021 will be a great year!

### **Year Six Teachers - Year Six Leadership Mentoring Program**

Last year, our current Year Sixes applied for their leadership positions. They met with the class of 2020 to get advice, planned speeches and practiced public speaking. Every single student who applied to the program tested

their confidence and resilience. They gained new skills and found strengths that they did not know they possessed. Our class of 2021 has started the school year with the goal to make their final year at Galilee a fun, safe and enjoyable one for everyone.

In previous years, our Year Six students have been under the guidance of the Year Six teachers as well as our Principal, Simon Millar and have enjoyed numerous leadership and public speaking workshops. However, this year, the staff at Galilee want to give the Year Six students a greater number of opportunities to obtain new skills and proficiencies in the area of leadership.

Our Year Six students will have the opportunity to be mentored by teachers who lead the school in a specific field. These sessions will occur regularly throughout the year; e.g Mrs. Petrarca will meet with the Italian leaders to organise Italian Day and Miss Cox will meet with the Library leaders to plan Book Week.

These mentoring sessions will allow our Year Six students to

work alongside an adult who leads in their field. During this time, the staff member will model skills such as: meeting deadlines, delegating and empowering others, completing projects efficiently, organising events and public speaking.

We hope that these mentoring sessions will help our young leaders to gain some new skills, build their confidence and create lasting memories that they can carry forward with them in the next chapter of their lives.

Mrs. Ferguson and Mr. McLeish

Year 4H - Camp - no sport this week

Year 4R - Tuesday only

Year 5C - Thursday only

Year 6F - Tuesday only

Year 6M - Tuesday only

## Wellbeing - Fair and Right

By doing what your mind tells you is the fair and right thing for you to do, you will live a life that matters, to make the world a better place. When you are about to do something, ask yourself, will this be fair, safe and legal for everyone and build others' and my wellbeing? Use your strengths to say "no" to things your friends want to do that aren't fair and right.

## Dendy Swimming Carnival

On Monday 22nd February, 29 students from Years 3 to 6 competed in the Dendy Swimming Carnival at Oakleigh Recreation Centre Pool. We competed in a variety of strokes, including freestyle, backstroke, breaststroke and butterfly with some students also competing in a relay.

Congratulations to all students who competed, particularly those who have now progressed to the Beachside Swimming Competition to be held on Friday 5th March.

A big thank you to Miss Mason, Mr McLeish and Paul for their help on the day!

**Mr Hill**  
**Physical Education Teacher & Sports Coordinator**

### Friday Additional Sport

Dear Parents/Caregivers, Please note that we are now scheduling additional sports sessions each week on Thursday and Friday throughout Term One. Students will need to wear the sports uniform on the day they are rostered for the session as

well as the day they have Physical Education. Please see below the schedule for these sessions starting from tomorrow. We will understand if students take time to follow this new regulation.

Please note that 2R's time on Thursday April 1 will be re-scheduled for earlier in the day.

## Year 4 Camp

Next Wednesday our Year 4 students will head off on a two night, three day camp to Angahook in Anglesea. The Year 4's will be involved in a range of activities from cannoneing, the giant swing, mountain bike riding, low ropes course, bush dancing and archery, just to name a few. Camps are a wonderful opportunity for students to further their learning and social development in a non-school setting. Camps provide a sense of group cohesiveness promote self-esteem,

resourcefulness, independence, resilience, leadership, judgment, cooperation and tolerance. We thank the staff who will be attending the camp; supporting, encouraging and supervising the students: Dorothy Hall, Helen Rochecouste, Simon Millar, Paul Mapley, Charlie Griffiths and Amy Burns. We would also like to thank Annabel Coome who has organised the camp. We look forward to hearing all about it when the student return to school next Friday afternoon.

## Athletics Day

On Monday 1st March, staff and students will make their way to Lakeside Athletics Track to compete Galilee House Athletics Day. This year our Year 3 to 6 students will have the opportunity to compete in: 100m sprints, shot put, discus, hurdles, 200m running race, high jump, long jump and triple jump. Our Prep-2 students will compete in: egg and spoon races, soft javelin, low hurdles, rubber chicken, tunnel ball, bean bag throw, 50m/75m/100m races and hop scotch.

The students will compete for their House and we will present ribbons for those who rank in the top four. The winning house will be presented with the House Shield at the end of the day.

*On our Athletics day, students will need to be in **sports uniform, but may wear a plain House coloured T-shirt and correct footwear.** They should be **wearing runners not sand shoes.***

*Students will need to bring their **lunch and plenty of snacks** for the day. Hydration will be very important so please ensure they have **lots of water to drink.** If the weather is cold children need to wear warm clothes such as rain coats, beanies and jumpers. Please have these items packed in a **small labelled backpack.***

We will bus all students from school to the track and back.

**Other than the Year 5 and 6 students, all students are to arrive at school at normal the time of 8.50am.**

**Year 5 and 6 students will need to arrive at school at 8.15am.**

The Year 5 and 6 Students will be leaving at **8.30 am sharp** and arriving back at

school at approximately 3:15pm.

Year 4 and 3 Students will be leaving at **9.00 am** and arrive back at school at approximately 2.45pm.

The Year 2 and Grade 1J Students will be leaving at **9.30** and arriving back at school at approximately 2:15pm

The Year Prep and Grade 1B Students will be leaving at **10.am** and arriving back at school at approximately 1.45pm

School finishes at the normal time of 3.25 for all students.

Unfortunately, **no parent spectators** will be allowed at this event.

## 2022 Prep Enrolments

We are very excited to start meeting perspective students and families over the next few weeks. We are going to start meeting 2022 Prep students who have family members who already attend Galilee. If you are aware of any family in our local area who is interested in enrolling their child/ren for the 2022 or 2023 school year, please direct them to our enrolment form on the website.

Please do so ASAP as we have again had a very large interest by families wishing to enroll their child at Galilee.

## Assembly

For assemblies parents will be allowed on site with the following conditions:

- Only those with a child in class performing or receiving an award can attend;
- Will have to sit outside of the hall;
- Sign a health declaration.

Assembly will be live streamed. Link will be on the parent calendar. If your child will be receiving an award or your child's class is presenting at assembly the classroom teacher will notify you via Dojo.

## D.O.G.S

Hi D.O.G.S - (Dads of Galilee School),  
The first D.O.G.S Social Night for the year is Friday Feb 26th at the Middle Park Bowls Club from 6:30pm onwards.  
Free barefoot bowls / table tennis / snooker, live music, food trucks and drink specials.

Calling all Prep & Grade 1 Dads,  
These social events are the best way to meet dads across all years of the school. I encourage you to come along and meet the wider school community.  
All other year level dads, it would be great to see you also.  
Never been to a D.O.G.S. event? Make this the first one. We'll be on a table near the back rink.

Hope to see you there new D.O.G.S.

## Scripture of the Week

Sunday February 28 | Lent 2

**TRANSFIGURED**

**THE WORD**  
Jesus took Peter, James and John up a high mountain alone. A change came over Jesus and his clothes became shining white. They saw Elijah and Moses talking with him. Then a cloud appeared and a voice said, "This is my own dear Son; listen to him!"  
Mt 17:1-13; Mk 9:2-13; Lk 9:28-34; Jn 1:10

**LOOK CLOSER**  
Transfiguration describes something that changes. When Jesus was transfigured, his appearance changed to something glorious. The butterfly is a symbol of change. A caterpillar goes into a cocoon. When it emerges, it is transformed into a beautiful butterfly.  
Draw it Draw butterflies using markers in colored paper. Talk about ways that you can 'transfigure' in order to follow Jesus better.

**PRAYER SPACE**  
Symbol: Butterfly  
Father: You delight in Jesus and you delight in us. Turn our hearts towards you and transfigure our lives with the light of Jesus. Amen.  
Moses and Elijah, pray for us.

As they came down the mountain, the disciples were talking about something. Find all the words in the word first and going from left to right, use the left over letters to find out what the disciples said.

# COVID Drop Off & Dismissal Process and Protocols

## Drop Off/Dismissal

### Drop off and Pick -Ups Times

#### Mornings:

The Bank Street Gate (Park Street will not be available) will open at 8.35am and all students will go directly to their classrooms.

*We respectfully request that parents remain outside the school grounds in the mornings.*

*This is due to current COVID -19 protocols, where any adult onsite for more than 15 mins must sign in for contact tracing purposes.*

If you need to speak to someone, we encourage you to call the office so we can arrange an appointment time or email/Dojo you child's teacher.

#### Afternoons:

Please be reminded of our current times that students are to be **picked up at the end of the school day.**

- **All students 3.15pm - 3.20pm**
- **All other students riding or walking independently - 3.25pm**

It is impossible for school staff to monitor this, so we are totally reliant on our parent's cooperation.

Our reasons for the staggered times are

- to assist with parking turnover

- to be compliant with COVID-19 restrictions that aim to reduce the congregation of adults around the school and reduce congestion
- to ensure all our parents and students can leave the school safely

We also recommend that you follow the **Face Mask** restrictions that are currently in effect which strongly recommend a face mask is worn outside whenever you cannot keep 1.5 metres distance from others. School staff will not be enforcing this as it is not mandatory, but we do support this recommendation by the Victorian Government.

Students who are walking home by themselves or riding home will be dismissed at 3.25pm.

This information will also be available on our website and school Bulletin.

We will also be publishing a timetable in the event of wet weather by next week.

We thank everyone for their flexibility and cooperation in ensuring that pick-up is safe and efficient for all in dealing with COVID-19 restrictions.

## Student On-Site Protocols

- **COVID-19 symptoms upon arrival:** Students presenting any COVID-19 symptoms including fever, cough, sneezing, temperature, runny nose will not be cleared for entry
- **Masks:** As per CEM directives, students will not be required to wear a mask, however, families may choose for their child to wear one.
- **Social distancing:** Parents, students and families must not congregate at the school gate before or after school. They must maintain 1.5 metres distance from other people when waiting for the school to open or close.
- **COVID-19 symptoms throughout the day:** Students who develop any COVID-19 symptoms including fever, cough, sneezing, temperature, runny nose throughout the day will be immediately isolated with visual supervision. Parents will be contacted to collect their child immediately.
- **Playground/shared equipment:** As per CEM directives, students may use the playground and shared classroom equipment.
- **Washing hands:** Students are to wash hands thoroughly with soap, for 20 seconds, after sneezing, coughing, going to the bathroom and before and after eating.

## TheirCare

In light of the snap lockdown last week, the numbers at Gosh were low at the beginning of the week but we as educators always keep the program going as normal as possible, no matter what .

We incorporated the theme of the week, We Just Want to Have Fun, by the children having many opportunities to try new things, think creatively and play and experience activities with their friends.

Sebastian had a lot of open-ended play and dance as Gemma provided him with planned art and craft activities. He started off by constructing a treasure chest. He then decorated it with lots of bright colours and even found some little treasures to put inside it.

To extend on that activity, Sebastain and Gemma both drew a treasure map and had a discussion of what they both put in it.

Marco, Lian and Matthew showed marvellous teamwork when they worked together to build a long domino effect.

Max's love of magic has been a real asset to our GOSH program in the past few weeks as he has encouraged other children to get involved too.

The children enjoyed an icy cold Zooper Dooper to cool themselves down on a hot day.

## School Uniform

Please read the policy below if you are unsure of the correct wearing of the Uniform.

Students who are in incorrect shoes, with a note, must be for a maximum of one week.

Correct shoes are to be worn till the end of the school year (it is not acceptable to be in incorrect shoes to save purchasing of new shoes towards the end of the school year).

Microfibre jacket can only be worn with the Sport Uniform or over the jumper for extra warmth.

### Transition of New Uniform

*Please see below*

*correspondence distributed to*

*the school community in 2020 and earlier.*

To avoid a uniform change in the middle of a season, the timeline for students from Prep-Year 5 will be the beginning of Term Two, 2022 (change from Summer to Winter uniform). This mandatory change will not be for Year 6 in 2022.

### A reminder that:

- the woollen jumper, rugby top and school bag can be worn/used for the duration of its lifetime as it is similar to the new item,
- during the transition period, blending of the current and new uniform **IS** allowed as we are keeping the same colour scheme,
- modifications were made after consultation with the community over the last two-three years,
- we will continue to assist families financially with uniforms who are experiencing difficulty,
- used uniforms (current design) will be distributed to overseas schools in need by PSW.

**PSW Uniform:** 1/128 Bertie Street, Port Melbourne 9768 0385

The new Galilee uniform is available for purchase from PSW. Items of the current uniform are on sale at a discount of 40%. Items of the current uniform can be worn until the end of Term 1 2022. Exception will be made for Year 6 students. **All other students must be in the new uniform by Term 2, 2022.**
