GALILEE SCHEDULE OF FEES LETTER 2025

ABOUT OUR SCHOOL FEES

Catholic schools receive less funding than Government Schools and our school fees are charged to families to make up this deficit in funding.

School fees at Galilee are made up of two components namely, the Family Fee and Student Levies.

ANNUAL SCHOOL FEES DUE DATE

Annual payment of school fees is due and payable by 25th February 2025.

The School offers several fee payment options as set out below.

Family Fee

The **Family Fee** is charged per family whereas the **Student Levies** are billed per child.

These Fees and Levies vary for each year level and are set out in the table below.

Student Levies

Levies are charged for various activities undertaken during the school year.

These Levies are per child, not per family.

Levies are spent directly on the children's needs for curriculum such as: texts, art materials, photocopying, excursions, camp and swimming.

As children in each level participate in different programs the Levies may vary for different year levels.

The Levies are set out and itemised below for each year level.

Please note, in **2025 all fee payers must inform the office of their payment option** via a link that will be sent in early January 2025 to the email address of the person who has been nominated as the fee payer. If you do not indicate a payment option your account will default to monthly payment option.

*IF you **DO NOT** have a **Google Account** you can either choose to use your child's email address to access the form or send an email to admin@gsm.vic.edu.au indicating your payment option choice. Please be sure to include your eldest child's name and 2025 year level in the email for our reference.*

FEE PAYMENT OPTIONS:

OPTION 1
