

SCHEDULE OF FEES 2023

ABOUT OUR SCHOOL FEES

Catholic schools receive less funding than Government Schools and our school fees are charged to families to make up this deficit in funding.

School fees at Galilee are made up of two components namely, the Family Fee and Student Levies.

ANNUAL SCHOOL FEES DUE DATE

Annual payment of school fees is due and payable by 25th February (early than previous years for accounting purposes)

The School offers several fee payment options as set out below.

Family Fee

The Family Fee is charged per family whereas the Student Levies are billed per child.

These Fees and Levies vary for each year level and are set out in the table below.

Student Levies

Levies are charged for various activities undertaken during the school year.

These Levies are per child, not per family.

Levies are spent directly on the children's needs for curriculum such as: texts, art materials, photocopying, excursions, diaries, camp and swimming.

As children in each level participate in different programs the levies may vary for different year levels.

The Levies are set out and itemised below for each year level.

Camp

All Year 6 Families will need to have paid a minimum of \$800 towards their 2023 school fees by 25th January prior to their child attending Canberra Camp. Year 4 families will need to have paid \$400 by 25 January due to the early departure of the Camp to Angahook.

Please note, in **2023 all fee payers must inform the office of their payment option** via a link that will be sent via email in early January 2023.

FEE PAYMENT OPTIONS:

OPTION 1

Annual payment of school fees in full by **25th February**

This option offers a **\$250** rebate per family.

(if you choose option 1 please deduct the \$250 rebate from the total school fees payable)
