

GALILEE SCHOOL SONG

Between the lake and the sea, you will find Galilee,
Our school, our school

From the ground to the sky, it reaches up high
Our school, our school

Here we live, and we love and we learn together everyday
Here we live, and we love and we learn together everyday

Once we were four now we're one big happy family,
Our school, our school

Many lands, many songs we all bring to this
Our school, our school

So, we live, and we love and we learn together everyday
So, we live, and we love and we learn together everyday

Let's be a rainbow to shine on all from Galilee
Our school, our school

And with Christ in our hearts we'll give it our best
Our school, our school

Yes, we live, yes we love, yes we learn together everyday
Yes, we live, yes we love, yes we learn together everyday

All the way in Galilee,
Everyday!
