GALILEE REGIONAL CATHOLIC PRIMARY SCHOOL ENROLMENT AND EXIT POLICY

Rationale

All children enrolling in Galilee Regional Catholic Primary School deserve a seamless transition that enables them to feel part of our community as quickly and effortlessly as possible. This policy ensures that Catholic students have access to a Catholic education, complies with Victorian government legislation and complements the policies of the Catholic Archdiocese of Melbourne regarding the principles of fairness and access.

In accordance with CEM Enrolment Policy Galilee Regional Catholic Primary School has established that:

- The first priority of Galilee Regional Catholic Primary School is the provision of a Catholic education for Catholic children. This reflects the historical context of Catholic education in Australia, as well as confirming the participation of the Catholic school in the Church's mission. As a result, formation and education in Galilee Regional Catholic Primary School must be based on the principles of Catholic doctrine.
- Galilee Regional Catholic Primary School will maintain the highest possible level of Catholic enrolment.
- Galilee Regional Catholic Primary School is accessible for all Catholic families in the Parishes of Our Lady of Mt Carmel Middle Park, St Joseph's Port Melbourne and Ss Peter & Paul South Melbourne pending available places.
- When enrolling students, Galilee Regional Catholic Primary School is compliant with relevant Victorian and Australian Government legislation.

Principles:

Inclusiveness

Galilee Regional Catholic Primary School was established primarily for Catholic children in the area of South Melbourne, Port Melbourne, Middle Park, Albert Park, Southbank and Docklands and strives to be open and welcoming to all Catholic students, regardless of their background and needs.

Partnership between parents and school

Parents, as the first educators of their children, enter into a partnership with the Galilee Regional Catholic Primary School to promote and support their child's education, in particular their education in faith. Therefore parents should also assume responsibility for maintaining this partnership by supporting the school in furthering the spiritual and academic life of their children.
